INTERGOVERNMENTAL AGREEMENT

BETWEEN
THE STATE OF ARIZONA
AND
THE CITY OF MESA

THIS AGREEMENT is entered into _Arizona Revised Statutes Section		13th	m	arl		2004	pursuar	nt to
Arizona Revised Statutes Section	11-951	through	11-954,	a amended	between	the	STATE	OF
ARIZONA, acting by and through its						e") a	nd the C	YTK
OF MESA acting by and through its M	/AYOR	and CITY	COUNC	IL (the "City").				

I. RECITALS

- 1. The State is empowered by Arizona Revised Statutes Section 28-401 to enter into this agreement and has delegated to the undersigned the authority to execute this agreement on behalf of the State.
- 2. The City is empowered by City Charter, Article 1, Section 103 to enter into this agreement and has by resolution, a copy of which is attached hereto and made a part hereof, resolved to enter into this agreement and has authorized the undersigned to execute this agreement on behalf of the City.
- 3. In conjunction with the State's roadway construction of the Santan Freeway (SR 202L) from Power Road to Elliot Road, the City requests the State incorporate the following two items into the State's construction project: 1) The design and construction of additional left turn lanes at the Hawes Road traffic interchange (TI), a lump sum cost of \$125,007.00 at the City's expense; and 2) The construction of miscellaneous utility enhancements related to the City's water and sewer facilities, estimated at \$2,062,918.00, at the City's expense, totaling \$2,187,925.00 and detailed on Exhibit A, attached hereto and made a part hereof, herein collectively referred to as the "Project". Exhibit A items include a fixed cost of 14% for construction engineering and administration.
- 4. Relative to the State's construction of City's utility enhancements associated with the water and sewer facilities referenced herein, it is understood that the State is acting as a third party ("an Agent") on behalf of the City and at no time is the State to be considered the owner of, operator of, or locator for the City's facilities.

THEREFORE, in consideration of the mutual agreements expressed herein, it is agreed as follows:

II. SCOPE OF WORK

1. The State will:

a. Upon execution of this agreement, invoice the City \$1,100,000.00 then on January 1, 2005 invoice the City the remaining estimated balance of \$1,087,925.00 for the total estimated Project costs of \$2,187,925.00, which includes a fixed rate of 14% for construction engineering and administration costs, as shown on Exhibit A.

- b. Agree to be authorized agent for the City in association with the Project. Prepare to State and City standards; design plans, specifications and other such documents and services required for the bidding and construction of the Project, and provide to the City for approval.
- c. On behalf of the City and upon receipt of the City's written approval of the plans, call for bids, award one or more construction contracts to accomplish the Project; administer same and make all payments to the contractor(s). Confer with the City on any contract modifications related to the Project.
- d. Be responsible for any contractor claims for extra compensation due to delays or whatever reason attributable to the State's roadway construction of the Santan Freeway (SR 202L).
- e. Upon completion, coordinate final inspection of the Project with the City for approval and acceptance of the City's items shown on Exhibit A.
- f. Upon completion of the Project, invoice or reimburse the City any difference between the amount paid by the City and the actual cost for construction of item 2 referenced in 1.3 of the Recitals, which includes a fixed rate of 14% for construction engineering and administration costs. Any monies to be returned to the City will be remitted upon 30 days following final contractor disbursements for the City's items related to the Project.

2. The City will:

- a. Upon execution of this agreement, receipt and approval of an invoice, remit to the State \$2,187,925.00 in two payments as identified in Article II.1.a above, for the estimated costs of the Project, which includes a fixed rate of 14% for construction engineering and administration costs, as shown on Exhibit A.
- b. Be responsible for the lump sum amount of \$125,007.00 for design and construction costs of item 1 and the actual amount for construction costs of item 2 under Recital I.3, estimated at \$2,062,918.00, which includes a fixed rate of 14% for construction engineering and administration. Total estimate for the Project is \$2,187,925.00. Additionally, be responsible for post design services associated with the Project as identified herein.
 - c. Hereby designate the State as authorized agent for the City.
- d. Be responsible for any contractor claims for extra compensation due to delays or whatever reason attributable to the City.
- e. Upon completion and acceptance of the Project, reimburse the State any difference between the amount paid by the City and the actual cost for construction of item 2, which includes a fixed rate of 14% for construction engineering and administration costs, detailed on Exhibit A.
- f. Upon completion and acceptance of the referenced Project by the State, provide maintenance for item 2 of Exhibit A related to the Project.

III. MISCELLANEOUS PROVISIONS

- 1. This agreement shall remain in force and effect until completion of the work contemplated herein and reimbursements; provided, however, that this agreement, except any provisions herein for maintenance, which shall be perpetual, may be cancelled at any time prior to award of the construction project, with prior written notice to the other party.
- 2. It is understood by the parties, that in the event the City terminates this agreement, the City will be responsible for all costs incurred by the State for the Project prior to termination. Said costs incurred by the State up to the time of termination, will be deducted from the City's deposit prior to returning any unused funds to the City, and the City will assume ownership, operation and maintenance of any enhancements that were installed by the State prior to the termination of the agreement. In the event the State terminates this agreement prior to the completion of the Project, the State shall deduct from the City's deposit the costs incurred by the State for the Project up to the time of termination and shall refund the remaining unused portion of the City's deposit, and the City shall have the right to complete the Project enhancements as described within the agreement under a separate contract at the City's expense. The City will be responsible for the ownership, operation and maintenance costs associated with the Project enhancements.
- 3. The State assumes no financial obligation or liability under this agreement in association with the Project work requested by the City and provided herein. The City assumes full responsibility for the design, plans and specifications, reports, the engineering in connection therewith, the construction of the improvements contemplated, cost over-runs and construction claims in relation to the Project herein. It is understood and agreed that any damages arising from carrying out, in any respect, the terms of this agreement or any modification thereof, shall be solely the liability of the City and that the City hereby agrees to save and hold harmless and indemnify from loss the State, any of its departments, agencies, officers or employees from any and all cost and/or damage incurred by any of the above and from any other damage to any person or property whatsoever, which is caused by any activity, condition, or event arising out of the performance or nonperformance of any provisions of this agreement by the State, any of its departments, agencies, officers and employees, the City, any of its agents, officers and employees, or any of its independent contractors. Costs incurred by the State, any of its departments, agencies, officers or employees shall include in the event of any action, court costs, and expenses of litigation or attorneys' fees.
 - 4. This agreement shall become effective upon filing with the Secretary of State.
 - 5. This agreement may be cancelled in accordance with Arizona Revised Statutes Section 38-511.
 - 6. The provisions of Arizona Revised Statutes Section 35-214 are applicable to this contract.
- 7. This agreement is subject to all applicable provisions of the Americans with Disabilities Act (Public Law 101-336, 42 U.S.C. 12101-12213) and all applicable federal regulations under the Act, including 28 CFR Parts 35 and 36. The parties to this agreement shall comply with Executive Order Number 99-4 issued by the Governor of the State of Arizona and incorporated herein by reference regarding "Non-Discrimination".
- 8. Non-Availability of Funds: Every payment obligation of the State under this contract is conditioned upon the availability of funds appropriated or allocated for the payment of such obligation. If funds are not allocated and available for the continuance of this contract, this contract may be terminated by the State at the end of the period for which the funds are available. No liability shall accrue to the State in the event this provision is exercised, and the State shall not be obligated or liable for any future payments or for any damages as a result of termination under this paragraph.
